Customer Reviews

The book finally came a month after i ordered it. It's in perfect condition. Nicely packaged too. I love the book. The recipes are great. I tried a few. They are diverse types of cookies, good directions, beautifully displayed and very nice pictures too. Great buy. Thank you. I used this book from the library so much that I decided to get it. I'm glad i did.

This cookbook offers plenty of colorful pictures, great organization, easy to follow directions. I think I will give as Christmas gifts next year. The only problem I had was the front cover was torn, upon arrival. Not sure if this happened during delivery transport.

I love trying new cookie recipes. This cookbook has a good mix of simple recipes and more advanced. Most of the ingredients are things you probably already have in your pantry or are at least easy to find at a grocery store. We are going to start working our way through the entire collection!

Very good recipes. Terrible font size. Very hard to read fractions for measurement - even with reading glasses or magnifying glass! I don't have this problem with other baking books. Other GH baking and dessert books are readable.

I love this cookbook and if you enjoy making cookies you will love it too. The service was excellent and it was well packaged so it arrived in excellent condition. I have always been a fan of Good Housekeeping recipes and this book is no different. Happy Baking!

Love this book! It's so helpful

I really liked this cookbook. It had lots of pictures, which I think is necessary! It's large and had many yummy looking recipes in it.
