A Ragdoll Kitten Care Guide: Bringing Your Ragdoll Kitten Home

Synopsis

You're getting a Ragdoll kitten (how exciting!) and you have questions about caring for it, once she or he is home. A Ragdoll Kitten Care Guide: Bringing Your Ragdoll Kitten Home is a comprehensive guide that covers every aspect of kitten care a new owner needs to know written in a warm, friendly tone. What if you knew what to expect and prepare for before you even picked your Ragdoll kitten up? Wouldn't it be nice to know how to kitten proof your home? Or what about what to buy in anticipation for your little one's arrival? Looking for recommended products for a new Ragdoll kitten? Looking for suggestions on everything from water fountains to scratching posts, pet carriers, cat litter, litter boxes, cat bowls, etc....products that a Ragdoll cat owner just can't live without? How about vet visits and cat health insurance? There's a lot to consider and prepare for. A Ragdoll Kitten Care Guide includes links to videos and products, and the information presented is from real life experiences, not repeated from other cat books. There are many quick, simple tips that can be used with Ragdoll kittens. The author also has a corresponding website Floppycats.com, where you can easily connect with other Ragdoll cat owners. Here's a peek inside of A Ragdoll Kitten Care Guide:

Chapter 1: Kitten-Proofing and Preparing Your Home and "Safe" Room

Chapter 2: First Days with Your Kitten and Things to Watch Out For

Chapter 3: Ragdoll Kitten's Diet, Food and Water Bowls, Treats

Chapter 4: Recommended Scratchers, Toys and Beds

Chapter 5: Carriers and Your First Vet Visits

Chapter 6: Nail Trimming and Grooming

Chapter 7: Litter Box

Chapter 8: Dental Care - Teeth Brushing

Conclusion: Maintaining a Healthy Ragdoll Cat

BONUS: How to Introduce Your New Ragdoll Kitten to a Resident Cat

BONUS: Bringing Your Ragdoll Kitten Home Checklist

BONUS: Questions to ask Ragdoll Breeders

Carefully researched, this guide is a fast and enjoyable read with lots of photos and recommendations for the Ragdoll Kitten owner. Everything is broken down into easy chapters, and Jenny writes as if she is there with you to take you there through the various steps.

Ragdoll cats are very specific in their likes and dislikes. They have their own charm inasmuch as they may sometimes seem like a dog in a cat suit with regard to their personalities. This book will take the mystery out of what to do when the Ragdoll kitten is first brought into your home as a member of your family.

I actually got this e-book back in 2013 but forgot to leave a review. Sorry, Jenny! I wish I had gotten this book before we picked up our Ragdoll Kitten on January 20, 2013. However, even reading this after we got our new baby girl (Miss Pink Sugarbelle) home proved to be very helpful regarding the care of our new kitten. This is a very thorough guide to help you acclimate your kitten to his/her new home. It covers everything you need to know for a happy transition for your new family member! I highly recommend this book. Additionally, I highly recommend you subscribe to Jenny's AWESOME website Floppycats.com (www.floppycats.com) and follow her on YouTube, Google+, Instagram & Pinterest. (You can also follow her via RSS Feed & Flickr, too!) Through her website you will meet the most amazing folks who share their love of the Ragdoll breed (just like you!) :)

My husband and I recently brought home a Ragdoll kitten. Although I grew up with a Ragdoll, I have never, as an adult, owned a kitten. It had also been several years since our family cat passed, so I felt a little nervous about what to expect and do with a new kitten. And my husband has never owned a cat. I bought this book to help us prepare. I really liked how easy it was to read. I liked how the chapters were arranged and although some complained that there was too many product recommendations, I actually appreciated that. I like when people share what products they have tried and like or don't like. I also found the list of questions to ask breeders very helpful. As a matter of fact, I wish I had that list before I shopped for my kitten. I also emailed the author with some questions and she quickly responded. In the same day! This book was very helpful and it is one I will keep and reference.

I just got 2 ragdoll kittens and this book had great information. The author also has a corresponding website floppycats.com that I read all of the time. It also has great information. Very happy with this

purchase. I would highly recommend for anyone purchasing a ragdoll.

This is the best Ragdoll book ever. I am new to Ragdolls and this is so helpful. From health care, litter to food and toys. Even a breeder question list in the back for adopters. Great photos too. I have read my book over and over again.

I loved your suggestions. I have followed most of the suggestions and they have worked quite well. We have a new 11 month old male and he is not the shy type from the get-go. Off and running. Loves to play. I also bought the other eBook that was suggested. Never having a kitten (Just children) is quite an interesting journey for an old lady. Keep suggestions coming! Peggy Russell St. George, IT

The perfect reading material for the new Ragdoll owner. It is quite short, but has all the information needed to kick start your new life with a Ragdoll kitten. If you buy one of these wonderful cats, this ebook is a must have!

A great book for anyone bringing home a purebred kitten - it also has great tips for kittens in general. And I'm the author! I have an entire website devoted to the Ragdoll cat and can probably help you with any questions you have.
