Customer Reviews

I have an exam coming up in June , I am glad i ordered this it is so similar to what i have heard the actual exam is like..Its great knowing that i can self check myself with the answer key on back pages. Great price.I will recommend to my friends who are studying as well for the CPC exam.

Very straightforward and easy to understand.

So far so good. I'm using it to study, questions look difficult. Will take the practice test then actual cert test in a couple months so will see...

Found 2 errors in test, however overall a very good mock exam for the AAPC CPC exam. I would recommend this test for anyone preparing to sit for the exam.

Well worth it if you are taking the CPC exam

Great reference for CPC prep!

Great book! Helps a lot when prepping for the exam.

An excellent, comprehensive cross-section of questions/answers that are current with the latest 2016 exam.
