# Wireless And Mobile Networking: IFIP Joint Conference On Mobile Wireless Communications Networks (MWCN'2008) And Personal Wireless Communications ... In Information And Communication Technology)

Synopsis

Research and development in wireless and mobile networks and services areas have been going on for some time, reaching the stage of products. Graceful evo- tion of networks, new access schemes, flexible protocols, increased variety of services and applications, networks reliability and availability, security, are some of the present and future challenges that have to be met. MWCN (Mobile and Wireless Communications Networks) and PWC (Personal Wireless Communications) are two conferences sponsored by IFIP WG 6.8 that provide forum for discussion between researchers, practitioners and students interested in new developments in mobile and wireless networks, services, applications and computing. In 2008, MWCN and PWC were held in Toulouse, France, from September 30 to October 2, 2008. MWNCâ ™2008 and PWCâ ™2008 were coupled to form the first edition of IFIP Wireless and Mobile Networking Conference (WMNCâ ™2008). MWCN and PWC topics were revisited in order to make them complementary and covering together the main hot issues in wireless and mobile networks, services, applications, computing, and technologies.

Book Information

Series: IFIP Advances in Information and Communication Technology (Book 284)

Hardcover: 484 pages

Publisher: Springer; 2008 edition (September 22, 2008)

Language: English

ISBN-10: 038784838X

ISBN-13: 978-0387848389

Product Dimensions: 6.1 x 1.1 x 9.2 inches

Shipping Weight: 1.9 pounds

Average Customer Review: Be the first to review this item

Best Sellers Rank: #15,085,749 in Books (See Top 100 in Books)   #100 inÂ Books > Computers & Technology > Programming > Software Design, Testing & Engineering > Localization   #4709 inÂ Books > Computers & Technology > Hardware & DIY > Internet & Networking   #8838 inÂ Books > Computers & Technology > Networking & Cloud Computing > Networks, Protocols & APIs > Networks

Wireless and Mobile Networking: IFIP Joint Conference on Mobile Wireless Communications Networks (MWCN'2008) and Personal Wireless Communications ... in Information and

Communication Technology) Re-engineering for Sustainable Industrial Production: Proceedings of the OE/IFIP/IEEE International Conference on Integrated and Sustainable ... in Information and Communication Technology) Modelling Techniques for Business Process Re-engineering and Benchmarking (IFIP Advances in Information and Communication Technology) Protocol for Wireless Localization Systems: Communications Protocol for RF-based Wireless Indoor Localization Networks Mobile Web Development: Building mobile websites, SMS and MMS messaging, mobile payments, and automated voice call systems with XHTML MP, WCSS, and mobile AJAX Cellular Automata: 8th International Conference on Cellular Automata for Research and Industry, ACRI 2008, Yokohama, Japan, September 23-26, 2008, Proceedings (Lecture Notes in Computer Science) Mobile Marketing: How Mobile Technology is Revolutionizing Marketing, Communications and Advertising Communication Skills: 101 Tips for Effective Communication Skills (Communication Skills, Master Your Communication, Talk To Anyone With Confidence, Leadership, Social Skills) Networks and Grids: Technology and Theory (Information Technology: Transmission, Processing and Storage) Localization in Wireless Sensor Network: An enhanced composite approach with mobile beacon shortest path to solve localization problem in wireless sensor network High-Performance Communication Networks, Second Edition (The Morgan Kaufmann Series in Networking) Solar Wind Nine: Proceedings of the Ninth International Solar Wind Conference: Nantucket, Massachusetts, 5-9 October 1998 (AIP Conference Proceedings / Astronomy and Astrophysics) Growing Up with Conference: Practical Ways to Make General Conference Fun Year-round Secure Localization and Time Synchronization for Wireless Sensor and Ad Hoc Networks (Advances in Information Security) Enhancing Indoor Localization with Proximity Information in WSN: A novel way of enhancing indoor localization in wireless sensor networks Location, Localization, and Localizability: Location-awareness Technology for Wireless Networks VoIP Performance Management and Optimization (paperback) (Networking Technology: IP Communications) VoIP Performance Management and Optimization (Networking Technology: IP Communications) Go Mobile: Location-Based Marketing, Apps, Mobile Optimized Ad Campaigns, 2D Codes and Other Mobile Strategies to Grow Your Business Pricing Communication Networks: Economics, Technology and Modelling
