Bread And A Dog

Synopsis

A quirky, photographic exploration of two beloved subjects: breakfasts and dogs. Curiosity. Longing. Hunger. *Bread and a Dog* is a quirky photographic journey into the psychic trauma of living with a professional food stylist... as a dog. Japanese food stylist Kuwahara Natsuko photographs her breakfast, laid out every morning, in beautifully arranged aerial tableaux with an unexpected twist, her omnipresent, exceptionally well-trained dog. Through 100 photographs, readers will delight not only in Natsuko's delicious meals served on beautiful dishes, glassware and flatware, but in the dog's enthrallment with what is happening on the table above him. Presented as a sequence of photographs, the book concludes with recipes for each breakfast, and tips and tricks on food photography from Natsuko herself. A perfect gift for animal lovers. Features: "Recipes and tips for successful and stylish breakfasts from the author, a professional food stylist." "100 charming photographs of an adorable dog taken from a refreshing and relatable point of view. Perfect gift or impulse buy for animal or food lovers."

Book Information

Customer Reviews

Found this in a bookstore. Immediately had to buy it for a friend. The book itself is just very tactilely pleasing. Lovely photos of an A+ dog being a dog around bread. The bread is also good: A, not A+ like dog. Minimalist with real recipes that are second priority (as they should be) after photos of the dog. Bonus cat photos also included. Edit: Just saw dog's name, a reference to *Do Android Dream of Electric Sheep*. Glorious. I just am so thoroughly in love with this book.

This is an adorable, little book of photos and recipes! It popped up in my " recommends" and I threw it in my cart as an impulse buy. Any dog owner will surely recognize the facial expressions on the featured dog as it continuously awaits a fallen morsel from the table. I don't often review books, but felt compelled to with this one, because it would be easy to overlook but is so, so charming!

You can save yourself the time and get a a five year old to take the same picture over and over again with a piece of bread on the table.Maybe even hire someone with some form of mental handicap to write the oh so un-funny puns. But I guess if you like weird "cute" Japanese stuff this is your ticket! Not even that cute....eh.

I love this book, super charming and the dog is outrageously cute. Tried the recipes too!
