# Leather Care Compendium: For Shoes, Clothing, And Furniture

## Synopsis

Why should you care for leather? What has leather conditioner to do with environmental protection? How do I get my shoes to shine? What saddle soap is best suited and most available for saddles? Anyone who wants the answers to these questions and wishes to learn more about the history, application, and benefits of leather care will want this standard and very successful work. In many of the over 500 beautiful images, custom shoemakers show how to expertly maintain leather shoes, furniture, bags, automotive leather, coarse and fine leather, watch bands, saddles, horse tack, suede, and more. By following their leather care techniques, readers will win a small victory over the usual transience of our favorite leather objects. Also included are histories of influential international leather care product companies, providing readers with a sense of the scope of products available today. A wealth of leather information is covered, including leather types defined by dyeing and consistency, products from wax pastes, creams, and emulsions to oils, soaps, sprays, and grease, polish formulas, and much more. Readers may even decide that maintaining the rich glossy surfaces of their leather products creates a more sophisticated personal appearance.

## Book Information

Paperback: 288 pages

Publisher: Schiffer Publishing, Ltd. (October 28, 2013)

Language: English

ISBN-10: 0764345176

ISBN-13: 978-0764345173

Product Dimensions: 7 x 1 x 10 inches

Shipping Weight: 2.4 pounds (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 starsÂ  See all reviewsÂ  (1 customer review)

## Customer Reviews

Fantastic information on how to properly take care of your luxury leather items. The author, Axel Himer is a German master shoe maker, who owns a shoe store in Germany and the clients range from celebrities to car racer drivers to royalties. Handmade and custom made shoes take many months to make and cost a small fortune, thus it's important to take care of your leather shoes/items.
