Customer Reviews

This new River Road Recipes is absolutely beautiful! The pictures are gorgeous and the text reads like a Louisiana travelogue. The recipes are new and current but still reflect the types of food people like to eat in Louisiana. Not the same old gumbo recipes but no weird ingredients you have to look up either. We are loving it.

I came into this marriage with a husband who had his own river road cookbooks. And a mother-in-law on the committee.... (who hates to cook- guess???) and I LOVE the first, despite the plastic comb, like the second, really appreciated the 3rd, (but healthy and cookbook don't go that well together), and this is a beauty. I LOVE the hardback, killer format. The photos, and ESPECIALLY the stories. But come on you guys, it is starting to really LOSE the regional flavor that made the first so great. And ASIAN??? I mean, yes, you can get great Asian food almost anywhere now, but I buy regional cookbooks for the regional flair- thus knocked off one of the stars...what I REALLY WANT to see is a 'BEST OF RIVER ROAD' with all the glitz of the last cookbook, and all

the HEFT (number of regional recipes, I have enough Lasagna thanks very much) of the first....
PLEASE

I absolutely love this cookbook! I have all of the River Road Recipes Cook Books and this one just like the rest, did not disappoint! It has an assortment of easy to read and cook recipes from my favorite foods (and even a few new recipes that I am excited to try). I can't wait to see what the Junior League comes out with next!

Being a former Baton Rouge girl I grew up on the recipes of River Road books. My family has years old editions of the RR2, which we consider the best one. I have ended up collecting all books that are out so far in the collection! A southern girl can't live without 'em!

This River Road Recipes IV is full of great Louisiana easy to follow recipes as Volume I, II & III although Volume I still remains my favorite for the past 60 years. The book is very beautiful and well illustrated but I liked the earlier spiral back cookbooks.

This is a truly wonderful cookbook. It looks beautiful, is laid out well, and most importantly, has lots of terrific recipes. The recipes are not difficult, the ingredients are generally easy to find, and yet they all have that special flare that great southern cooks are known for. I'm buying a second copy to give to my sister-in-law. It is a great addition to your cookbooks and makes a great gift.

In the great tradition of the Junior League Cookbooks -- JL Baton Rouge has produced a winner. This book provides fun, easy to follow recipes so you can entertain like a pro! Recipes are grouped by theme, so planning that party is easy. The book is beautiful, pretty enough for the coffee table. A must have for the cookbook collector and cook!

This is my new favorite cookbook. Everything I have made from it has been wonderful. I especially love the recipes for crawfish pie, pecan praline bacon and spinach salad sandwiches. Plus it is a beautiful book. This is a must for all Southern cooks!
