Customer Reviews

I bought this as a gift, but on looking at the recipes before wrapping it, I ended up copying numerous recipes myself. The Glazed Fresh Apple Cookies are outrageously yummy! Also, most recipes don't require many ingredients, and most cooks have the ingredients right on their shelves already.

Interesting and nostalgic. I love to look at cookbooks and found this book worth keeping. Good idea to preserve recipes from across our country. I appreciate the number of cookbooks it took to make the selections.

One of the best books of recipes from local cooks using local ingredients. Easy to follow and accurate.
