Customer Reviews

Saw it in a store and it was cheaper here! Bought it for someone else for a holiday gift. It has some amazing recipes!! Fell in love with it and ended up buying one for myself!! The recipes are delicious even if you do not paid it with beer! Great appetizers and hors d'oeuvres.

This book offers a great variety of appetizer recipes along with suggested beers. The majority of the recipes are easy to prepare and don't require weird ingredients. The duck nachos are to die for....they are a meal for us and hard to stop eating. Check out your local Asian market for duck legs at a very reasonable price.

Wonderful beer pairings and delicious food recipes!

This was a gift for a Beer Loving friend and she loves it, so I'm glad...

The corn fritters in a dutch oven were amazing.

Excellent recipes to pair with beer !

Nice gift
