## Customer Reviews

I'm a big fan of the Gooseberry Patch Cookbook series. Particularly the large spiral bound versions, but the 'Christmas' series produced by Leisure Arts is a little hit or miss for me- Mostly because I prefer recipes instead of crafts, and Christmas has over 80+ pages of crafts and about 40+ pages of recipes. There are some great recipes in this one. Seafood Lasagne, Eggnog Cookies, and Christmas Tree pull-apart rolls. The presentation is cute, and the stories and anecdotes nice and heart-warming. If there were fewer crafts, and more recipes, I'm sure I'd like this series more. 4 stars, because the crafts dominate the book a little too much.

There really isn't a bad gooseberry cookbook out there. So much thought has gone into these

books, it's well worth the purchase on any of them.

In perfect shape and arrived promptly. Thank you so much! I just love these books so can't wait to use some ideas from them.

Fantastic recipes for the holiday season! Ideas for decorating and gift giving, too!

I loved my copy of Book 6 so much that I ordered this copy for my daughter!

had hand writing in the front pages but all else was fine and good.
